

LACASA's Child Abuse Prevention Council presents:

Child Abuse Prevention Month Training Series

Tuesday, April 8 | 9 a.m. - 12 p.m.

Stewards of Children® uses videos, workbooks, and facilitated discussions to teach adults actions they can take to reduce instances of child sexual violence in their organizations, families, and communities.

Understanding

N. E. A. R.

Neuroscience
Epigenetics
Adverse Childhood Experiences
Resilience

Tuesday, April 22 | 9 a.m. - 11 a.m.

NEAR uses videos, slides, discussion, and group activities to examine how childhood experiences impact brain development and health outcomes throughout a child's life.

Tuesday, April 29 | 9 a.m. - 11 a.m.

HOPE uses slides, discussions, and group activities to share the importance of positive childhood experiences to teach adults to use the HOPE framework to create a more positive atmosphere for children.

All trainings held at LACASA, 1920 Tooley Road, Howell, MI, 48855
